

REGION 1 NEWSLETTER – NOVEMBER, 2018

BILL TAYLOR, DIRECTOR

Hello again fellow Region 1 ILLan!

The only Meet-Greet-n-Eat reported to me by an Area Coordinator was from Southwest Ohio's Dick Martin. Six ILLans and one guest attended. A slide show of some photos can be seen by logging in to [intertel-iq.org](http://intertel-iq.org), clicking on **Directory**, typing **Taylor II** in the search box, clicking Taylor II and scrolling down to the album titled **September 9 Meet-Greet-n-Eat**. If you want a copy of one, feel free to capture it from the site or I'll be happy to send you any or all.

Dick is planning another MGE at Red Lobster, 8200 Springboro Pike (State Rt. 741), Miamisburg, OH 45342 on December 4. Watch for a notice from him mid-November. How about the rest of you?

This is my last newsletter as Region 1 Director. John Scheelk has been elected to the position beginning January 1, 2019, and will serve a three year term. Please help him out.

The next newsletter may be around February 1 (if John continues my quarterly pattern).

Keep having fun!
